

Old Bawn Gymnastics

OFFICIAL COMMUNICATION - 03/08/16

Annual Registration & Term 1 Fees

Dear Member,

Our governing body, Gymnastics Ireland, called a meeting in July with all clubs regarding a proposed significant increase in insurance fees due for the coming season. For our club to remain part of Gymnastics Ireland, and in the interest of all our members, we must comply with the requirement to pay the increased fee.

Unfortunately in order to cover this big increase in costs we will require to increase our **Annual Registration Fee** across the board this year as follows:

€40 – Recreational Members (1 hour per week)

€50 – Intermediate/Advanced Members (more than 1 hour per week)

We do understand this will not come as good news, however, we are hopeful that the advance notification will give people time to prepare for the increased fee.

Registration Day for ALL club members for Term 1 is **Sat 3rd September 2016** at the following times:

Recreational Members: 11am - 2pm

Intermediate/Advanced Members: 2pm – 3pm

NOTE: Both the Annual Registration Fee and Term 1 Fee will be due on Registration Day

All existing club members must register and pay fees on this date. Any members who do not register will be deemed to have left and their place offered to the next child on our waiting list.

Fees Due on Registration Day:

- *Recreational (1 hour per week)*

Term 1 Fee: €100

Registration Fee: €40

TOTAL DUE: €140

- *Intermediate/Advanced (more than 1 hour per week):*

As term fees vary based on number of training hours, these fees will be advised to each member individually in August.

Term 1 Calendar:

Sat 10th September – First day of Term

Sat 29th – Mon 31st October (inclusive) - **GYM CLOSED** (Bank-Holiday)

Sat 10th December – *Recreational* Club Competition & Final day of Term

Sun 11th December – *Intermediate/Advanced* Club Competition

Thurs 15th December – Final day of term for all Intermediate/Advanced Members

Please advise us if any child does not wish to continue with gymnastics classes this term so that we may offer their place to the next child on the waiting list
